Skaters must be ready to test up to sixty (60) minutes before their scheduled time.

Deadlines: Skate Nashville deadline is March 17, 2005. No refund or credit is given if the skater or the coach of the skater cancels a test less than 14 days before the test session for all tests except Gold Tests, which require 30 days advance notice to cancel with credit. No exceptions.

Late Applications and On-Demand Test Sessions: All applications dated beyond the deadline will be charged at the Non-Competitor Cost.

Individual Members of the USFS and Skaters From Other Clubs: Test fees are for Skate Nashville participants. All other skaters from USFS clubs who are not competing at the Skate Nashville event will pay the Skate Nashville Non-Competitor cost listed. Individual Members of the USFS who are participants at the Skate Nashville event pay the Skate Nashville Competitor cost, however non-competitors pay 3 times the listed competitor cost. If an Individual Member is required to retry a test, they can retake the test at 1-1/2 times the listed fee at the next session only. Prospective test candidates must be members in good standing with the respective clubs to be eligible to test. A letter of good standing or a letter of Authorization to Test must be attached to this form if the skater is not a member of the Nashville FSC.

All Skate Nashville competitors receive the Nashville FSC rate for testing at the Skate Nashville Testing Session only. Skate Nashville participants receive priority placement in available test time slots.

Payment and Fees: Full payment must accompany all test applications. Checks returned for insufficient funds will be assessed a \$30.00 fee. In the event an error is made in payment, the applicant will be notified, and in every case, full payment must be received before the skater is allowed to test. Note: Skater's applying for multiple tests, where the second is contingent upon the first, and who do not pass the first, thus not qualifying for the second test, forfeit the fees for both tests.

Questions about the test session should be directed to Pat.Okamoto@nashvillefsc.com
