IJS Judging System Will Be Used for Juvenile-Senior Events!

Rules/Conduct/Eligibility

The competition is open to all amateur skaters who are members in good standing with U.S. Figure Skating and will be governed by the rules specified in the 2006-2007 U.S. Figure Skating Rulebook, except as noted. Skaters may enter events according to their age and test level as of March 17, 2007. Skaters may compete at one level higher than the skater's current test level. However, skaters may only enter one level per event (i.e. Juvenile Free Skate only and not Intermediate Free Skate also). Any event with a large number of entries will be divided into smaller groups by birth date below Juvenile. The competition committee reserves the right to divide or combine any event, if necessary, and to cancel any event (with full refund of entry fee) due to lack of participants. An event will be held if there are two or more competitors.

A test session will be held Thursday, April 26, 2007.

Facility

The competition will be held at the Southern Ice Arena, 215 Gothic Court, Franklin, TN 37064, which is 15 miles south of downtown Nashville and 5 minutes from historic Franklin. The lobby snack bar serves a variety of food and many restaurants from fast food to Four Star are within 10 minutes of the rink. Visiting vendors will offer skating related products.

After March 31, 2007 NO late entries will be accepted.** No refunds will be given after the March 17, 2007 deadline unless the event is cancelled for lack of entries. Skaters must be ready to test up to sixty (60) minutes before their scheduled time.

Deadlines: Skate Nashville deadline is March 17, 2007. No refund or credit is given if the skater or the coach of the skater cancels a test less than 14 days before the test session for all tests except Gold Tests, which require 30 days advance notice to cancel with credit. No exceptions.

Late Applications and On-Demand Test Sessions: All applications dated beyond the deadline will be charged at the Non-Competitor Cost.

Individual Members of the USFS and Skaters From Other Clubs: Test fees are for Skate Nashville participants. All other skaters from USFS clubs who are not competing at the Skate Nashville event will pay the Skate Nashville Non-Competitor cost listed. Individual Members of the USFS who are participants at the Skate Nashville event pay the Skate Nashville Competitor cost, however non-competitors pay 3 times the listed competitor cost. Prospective test candidates must be members in good standing with their respective clubs to be eligible to test. A letter of good standing or a letter of Authorization to Test must be attached to this form if the skater is not a member of the Nashville FSC.

All Skate Nashville competitors receive the Nashville FSC rate for testing at the Skate Nashville Testing Session only. Skate Nashville participants receive priority placement in available test time slots.

Payment and Fees: Full payment must accompany all test applications. Checks returned for insufficient funds will be assessed a \$30.00 fee. In the event an error is made in payment, the applicant will be notified, and in every case, full payment must be received before the skater is allowed to test. Note: Skater's applying for multiple tests, where the second is contingent upon the first, and who do not pass the first, thus not qualifying for the second test, forfeit the fees for both tests.

Questions about the test session should be directed to Pat.Okamoto@nashvillefsc.com
